

Veteran's Day Luminaries

As a way of recognizing our local heroes and studying about the importance of Veteran's Day, we are inviting all families to participate in our luminary project. On Tuesday, November 10th, luminaries will be displayed at a walk-through exhibit at Southeast School. Our hope is that this project will give all students at Southeast School a wonderful visual representation of how many people in our community are recognized on this special holiday. This year, we are providing all families with a white bag so that you can create a luminary for your own special veteran. You might even consider creating one for all special Veterans. If you need additional bags, please return the request slip below. We hope that you will consider including any military personnel on active duty as well as they can be included in this day of special honor. Please be sure to return all completed luminary bags by Nov. 10th.

All families are invited to come see our drive through exhibit on the evening of November 10th at Southeast School starting at dusk (approximately 5:00) till 7:00. Please bring a flashlight!

Student Name: _____

Classroom Teacher: _____

Number of Luminary Bags Needed: _____

Please return this form to Lisa Cackowski or Cheryl Hathway by **Monday, Nov. 9, 2015.**
